Bottled: January 15, 2017

Bottle Aged: 12 months

pH: 3.89

TA: 5.4 g/L

ALC %: 15.2

Winemaking Notes:

The low yielding Clone 6 block is intense in color, structure, and complexity. The Clone 15 sets the fresh berry tones for the blend. These together make this incredible wine. Flashed in new oak and some extended aging this is a great wine to cellar for a bit. Integrated oak with the fine tannin structure allow for an excellent mid palate and long finish. Good to drink now and will cellar well for the next 15-25 years.
