KENEFICK RANCH

2014 Merlot

The 2014 Merlot (85% Merlot and the rest Petit Verdot and Cabernet Franc) also received the unfinned and unfiltered treatment after 18 months in new French oak. This is a powerful, chunky Merlot with loads of chocolate, black fruits and spice. It cuts a broad swath across the palate, has low acidity, generous fruit, full body and light tannin. Drink it over the next decade.
